3 So enable the Veterinary Inspector to carry out his duties efficiently the cycle allowance recommended is necessary and the rate of Rs 10 is also fair as Sanitary & asst Sanit Inspectors get the same rate of allowances

SIR,

With reference to the retention of the provision of Rs 120/- in the current year's Municipal Budget sanctioned in Government Proceedings No 12209 / 306-13-34 dated the 4th July 1914 on account of Conveyance Allowance to the Veterinary Inspector, I have the honour to state that since the creation of the Veterinary Inspector's post in 1905-06, his duties have largely increased involving much outdoor work owing to the formation of extensions where mutton stalls are to be inspected and stall rents recoved from the stall holders every month He has also to supervise working of the Municipal Cattle Pounds in the City and the Extensions--supervise the Slaughtering of sheep in the city slaughter house--collect rents from the stalls in the City Mutton Market--as well as outside stalls in various parts of the city besides the extensions
